

General Notes

1. Even no color front wash that covers the entire playing area
2. Special to be focused at 12 ft to 16 ft high at center for Kenny to stand at top of the ladder.
3. Top light with saturated colors - deep lavender or purple is suggested. No green please.
4. All stairs from the audience to the stage must be lit for audience participation.
5. All lighting equipment and rigging must be in good condition and working order.
